INSTRUCTIONS FOR AUTHORS

Deadline for next issue

Articles for the next issue of the journal are due by 28 July 2000.

Submission of manuscripts

All manuscripts for publication in the *Australasian Mycologist* should be submitted as hard copy, and where possible as electronic copy. The editors request that authors adhere to the *Australasian Mycologist* style. Headings are bold 10 pt Ariel; centred upper case for the paper's title, centred upper and lower case for the second level headings and left aligned for third level headings. The remainder of the text is 10 pt Times New Roman. The authors' names and addresses are centred and italicised. Please note that *journal and book titles are given in full in the references*. References are given in alphabetical order, not date order, if more than one reference is cited in one place in the text.

Manuscripts submitted for publication in the *Australasian Mycologist* should not be submitted to another journal waiting publication or have been previously published in another journal. Authors submitting manuscripts are responsible for obtaining the copyright holders' permission to reproduce any material for which the author does not hold copyright.

The journal can publish both colour plates and black and white photographs. *Please provide unmounted photographs. Line drawings must be in black ink.*

Manuscripts for the *Australasian Mycologist* should be sent to: Dr Cheryl Grgurinovic, PO Box 53, Farrer, ACT 2607, Australia.

Refereeing of articles

Authors can request that their articles be refereed. There will be two anonymous referees. These papers will be published as *Research papers*. Non-refereed articles will be published as *Reports*.
